## Summary

I am a finance enthusiast with a passion for asset management and investment advisory. With a knack for providing valuable market insights and constructing winning portfolios, I thrive in helping institutional clients make informed investment decisions.

My expertise lies in building and nurturing client relationships, closing sales, and delivering exceptional results. I excel in leading new business meetings and leveraging existing client connections to drive growth. My analytical prowess and in-depth competitor and product analysis help me identify new business opportunities and stay ahead in the industry.

Equipped with a Master's degree in Money and Finance and a Bachelor's degree in Finance (graduated with honors), I bring a solid educational foundation to the table. Fluent in multiple languages, including Albanian, English, Italian, German, Spanish, and French, I possess excellent communication skills to connect with diverse audiences.

With a comprehensive skill set, extensive industry experience, and a passion for finance, I am dedicated to delivering exceptional results and driving success in the asset management and investment advisory field.

Let's connect and explore how my passion for asset management, investment advisory, and building strong relationships can enhance our professional journey together!

---

## Experience

Fidelity International

Associate Institutional Asset Management

August 2022 - Present (1 year 4 months)

## Frankfurt Rhine-Main Metropolitan Area

Currently, I hold the position of Institutional Asset Management Sales Associate at Fidelity International in Frankfurt, Germany. In this role, I provide valuable market insights and portfolio construction ideas to institutional clients, lead new business meetings, and cultivate relationships with existing clients across Germany and Switzerland.

## Prime Capital AG

### Investment Advisory & Manager Selection

September 2021 - June 2022 (10 months)

Frankfurt Rhine-Main Metropolitan Area

At Prime Capital I conducted due diligence reviews of co-investments and funds of funds in alternative assets, particularly focusing on private debt. Additionally, I contributed to the development of the ESG and sustainability framework for manager selection and assisted in market screening and fund manager interviews.

## Finance in Motion

### Analyst - Fund Management

August 2020 - August 2021 (1 year 1 month)

Frankfurt/Rhein-Main

At Finance in Motion, I supported financial planning and asset liability management for fund mandates. I actively participated in ALCO meetings, prepared investment committee reports, and implemented financial models to enhance fund management processes.

## Deloitte

2 years

### Senior Analyst

July 2019 - September 2019 (3 months)

Albania

### Analyst

October 2017 - July 2019 (1 year 10 months)

Within this role, I ensured compliance with internal control procedures, prepared audit work papers in adherence to GAAP and IFRS, and conducted audits for various accounting areas for companies operating in Italy.

## Bank of Albania

### Trainee

November 2017 - December 2017 (2 months)

## Albania

Worked closely with seniors Researchers to collect data from financial agents, businesses, and consumers, analyzing and making CPI (Consumer Price Inflation)/RPI (Retail Price Inflation) forecasts.

### Institute for Urban Policy Research

Assistant Project Manager

March 2017 - July 2017 (5 months)

Tirana, Albania

### Ministry of Health and Social Protection Albania

Finance Internship

July 2016 - October 2016 (4 months)

Tirana, Albania

---
